NanoVox — Corpus v9 · Transcripts, batch 9b (C-0501 to C-0550 of 600)

Every caller_ref resolves to a record in the v9 Member Master or Employer Contacts; the name spoken is the name on that record; a broker named aloud is that employer's broker of record; a tagged product line is one the group holds. Carrier is held per line on the Employer Master and is deliberately not spoken. Employer, industry, group size and renewal month join from caller_ref and are not repeated here.

Danielle: Choice Administrators, Danielle speaking. This call may be recorded for quality and training. Name and member ID?

Yolanda: Yolanda Novak, CB-7700107. I asked about my crown estimate two weeks ago and was just told 'it'll come'. It hasn't.

Danielle: Can I confirm your date of birth?

Yolanda: Second of March, 1984.

Danielle: Thank you.

Danielle: It came back on the twenty-second: the plan pays fifty percent, about fifteen hundred of three thousand one hundred. The letter went to your old address.

Yolanda: That's why.

Danielle: I've updated the address flag and I'm emailing you a copy now.

Yolanda: Thank you.
